### Product Summary

#### FEATURES

Battery Capacity: 11Wh, 3000mAh (3.7V)

Solar Capacity: 7W (8-9V)

Weight: 1.26 lbs (573 g)

Ideal for: Phones, Switch Tools

Recharge by: USB, Solar Panel

Kit Includes: Micro Tip adapter, Flashlight, Fan, Switch 10 (power), Nomad 7 (solar)

More than a phone charger, more than a flashlight; the only all-in-one power solution for your pack. Quick charge phones, POV cameras, and other USB-powered gear, then switch on a flashlight for bright light anywhere, or a fan to cool off. It's solar-ready and features a replacement, rechargeable battery that powers up from any USB.
